

- Polyester Pipe Restraints are constructed similar to Endless Lifting Roundslings, using a continuous loop of core yarns encased in a double wall sleeve
- The sleeve helps to protect the core yarn from UV degradation and abrasion
- Restraints are rated by maximum operating pressure and 1502 hammer union pipe size
- Restraints are not to be used for overhead lifting.

Part Number	Color Code	Maximum Pressure 2" 1502 Pipe	Maximum Pressure 3" 1502 Pipe	Maximum Pressure 4" 1502 Pipe
		<i>PSI</i>	<i>PSI</i>	<i>PSI</i>
DPR78	Red	15,000	8,000	5,000
DPR160	Blue	20,000	15,000	10,000
DPR200	Orange	20,000	15,000	15,000

Proper use of restraints can reduce **BUT NOT ELIMINATE** the risk of severe personal injury or death
